About Us

The Sinnissippi Quilters, established in 1980, is a non-profit organization[501(c)(3)]of 150 members whose purpose is to educate our members and the community on all aspects of quilting, to preserve and honor our quilting heritage and traditions and to use our sewing skills to benefit other community organizations. Over the years these organizations have included homeless shelters, hospice centers, women's shelters, veteran's facilities, and hospitals, some of which are UW Health and Mercy Health for neonatal and peds, Rock House Kids for quilts and pillowcases, Serenity House for quilts and afghans, Compassion Sewing for Seniors giving placemats to Meals on Wheels among other things, and teaching beginning Quilt School at Rock Valley Senior Center. All told, last year alone we donated: 263 baby quilts, 1 afghan, 4 fidget quilts, 24 baby hats, 51 cancer hats, 307 pillow-cases, 61 placemats, 19 adult clothing protectors, 19 flannel sheets, and many other items.

The Quilt Show

One of the ways we promote and educate the community is with our quilt show. Approximately 300 quilts are on display. Quilt making takes many forms which you will be able to see demonstrated throughout the show. The quiltmakers may also have their quilts judged if they choose. We also will have a Special Exhibit called Route 66, Educational Quilting Technique Demos, Bed Turning, Vendors, Raffle Quilt, Raffle Baskets, and much more.
